

October 1, 2025

Church family,

As we enter the fall, we have so much to be thankful for. One thing I'm especially grateful for is our church building. The vision and commitment of our longer-term members to move to our current location, build the first building, and add on throughout the years continues to inspire me. So much ministry takes place in our facilities! It is important to me and our church leadership that we do our part to maintain them as we continue to invite people on a journey with Jesus.

It's with that in mind that I'm excited to share about our upcoming **Roof & Restrooms Renovation**! Our Trustees (charged with overseeing and maintaining our facilities) have determined that it is past time to replace the flat roof that covers our office and preschool wing. Furthermore, we have long wanted to upgrade our restroom facilities to accommodate their consistently increasing usage and make better first impressions on our many guests. But we need your help!

We hope that you will prayerfully consider making a one-time special gift above and beyond your normal giving to help make this project possible. After paying off a big loan early this year, we have been setting aside the planned mortgage payments for capital projects such as these. By the end of this year, we will have accumulated over \$53k for this purpose! In addition, we have a little more than \$23k already donated for this renovation. **Our leadership has set a goal of raising an additional \$150k between now and mid-November** to cover the total estimated costs of \$200-220k to put on a new flat roof and renovate the men's and women's restrooms in the Family Life Center, office, and preschool. Stay tuned to hear more about this project in the coming weeks!

For now, I want to share a few important details with you:

- Goal: to raise \$150,000
- Target giving date: Sunday, November 16, 2025
- How can you give? In-person, online, mail to the office. Make sure to designate the gift as "Roof & Restrooms Renovation"
- FAQs and other information available on our website: troymc.org/renovation

Thank you in advance for your above and beyond generosity that supports the ongoing ministry of Troy Methodist Church and important projects like these!

Faithfully,

Pastor Andy
