# Thank you...

We at My Sister’s House, Inc. are truly grateful for the impact our donors and sponsors are making within our organization and throughout Nash and Edgecombe counties. We acknowledge that without your support, victims of domestic violence, sexual assault and human trafficking may not have the resources they need to flee from their situations. Your contributions allow each victim to receive the services they need, free of charge.

We personally thank you, our “community heroes” for your enduring support. We are appreciative and feel fortunate to be able to share in a community that is committed to supporting those in need. Your compassion and investment are always amazing in impacting the healing of people you may not know!
