A Note from Pastor Clay

Thanks to strong giving in December, we finished 2025 just \$21,302.49 short of our projected budget of \$370,000.00. Total giving in 2025 amounted to \$348,698.51. Of course, we did not overspend because we were good stewards and did not spend all that we had budgeted. Thanks to all of you who made this possible by your sacrificial giving to support the ministry and mission of NBC.

I want to encourage your faithful stewardship in and throughout this new year. You can be assured that your church leadership will make your giving go as far as possible but, of course, they can only work with what we provide. So as the Lord provides for us and our families in 2026, let's be faithful to give systematically and regularly to support our church ministry. And let's do so cheerfully for as we read in I Corinthians 9:7, "God loves a cheerful giver."

The world would have us believe that is a contradiction in terms, "cheerful giver." We hear about cheerful getters, keepers, users, savers, investors and spenders. But why in the world should we be cheerful givers? Why should we give to support the ministry and mission of our church and be happy about? Here is the simple, yet profound reason: God loves it when we do!

Our Pastor Search Team is about to begin interviewing candidates for our position of Pastor. I pray that they will be able to report that our giving in 2026 is keeping up with our budget needs. If you want to know what you can do to help our Search Team beyond praying for them daily, give sacrificially and consistently to support our proposed 2026 ministry and mission goals. Our strong giving will speak louder than words to those the Lord leads our Search Team to consider.

Thank you Thank you Thank you Thank you Thank you Thank you
Dear NBC Family,
The words "thank you" don't express how grateful we are for your thoughts, prayers, phone calls, visits, and meals through the Meal Train. We appreciate you!
