PRESCHOOL & CHILDREN

Explore the Bible is an ongoing book-by-book study of the Bible. Lessons are age-appropriate and written specifically for adults, students, and kids. In a culture starving for truth, God is calling us to do more than read His Word, He is calling us to know it and live it.

Kids will dive into the genres of prophecy, poetry and wisdom, gospels, and letters. These studies will guide them to discover the truth that Jesus was the Messiah prophesied by Isaiah and that Jesus came to fulfill God's plan when He died on the cross and rose again. Paul's letters will help kids know that God calls people, no matter their age, to show God's love to others.

WELCOME

We all desire to connect with others in meaningful friendships. At Walnut Ridge, our Sunday School classes provide opportunities to make new friends and build mutual support among a group of people. Classes encourage one another and meet practical needs of members and the community. Each Sunday School class is a little bit different. But they're all about friendship faith fun! Whether you are new to our church, or a long-time member, finding a Sunday School class will energize your spiritual life and your social life.

Blessings!
