Gospel of John - Week 12

Jesus on Trial | [John 18:28-38](#)

How would you define truth?

How did the ancient Greeks vs. Hebrews understand truth?

Describe the bind that Pilate is in, and how does Jesus engage it?

What are three ways the Gospel of John defines truth:

Truth is a _____

Truth is _____

Truth is a _____

What freedom might the truth offer you? And what would you ask if the truth was standing in front of you?
