**We need a list of thoughtful volunteers that are willing to bless people with meals or services at special times.**

Please see me or call the church. This ministry is a real blessing to our people and you.

**The ladies' Sunday School class exists for the purpose of Bible study and fellowship.**

We study either a complete book of the Bible or a topical or thematic series. Not only does the class enjoy discussing the Scripture and learning how it applies to us today, but we also really love fellowshiping and sharing in each other's lives. This is a lovely group of women who love the Lord and love each other. They would be delighted to include you in this group. Sundays, at 10:45 in the classroom in the hall next to the sanctuary.

**Prayer changes things! If you have a heart to see people, lives, and circumstances change, this is the ministry for you. Prayer is one of the greatest tools and privileges that God has given to us to be able to walk in victory.**

Please feel free to join us every Monday at 9:30 in room 107.

**We have a calling to serve our Lord, church, and community through rewarding sewing projects.**

Our Sewing Spirits group meets once a month with the goal of showing God's love through our sewing efforts. We have about 10 ladies. Our focus right now is weighted therapy blankets for local elementary schools made with fun kid-friendly fabrics, and quilts for those baptized at North Shore. We have a great time getting together and would love to have you join us (not everyone sews!).

We meet the second Monday of each month at my house (14 Wedgewood Drive West in Bentwater). If you would like to join us, please give me a call.

This team is built with folks with warm hearts and big smiles to greet North Shore attendees as they enter God's house on Sunday mornings.

If you are a long-time member and notice a lot of new faces that you don't recognize, what better place to meet those folks that you don't know than as they come in to worship. Also, if you are a fairly new member what better way to fit in than shaking hands and introducing yourself to your new church family.

Only requirements are a big smile, and a warm heart. I assure you that you will be richly blessed as you bless others. If you are looking for a place to plug in and serve God and your church then the greeters ministry is the place for you. Please contact me...I'll get you fixed up.

**We engage in an open dialogue seeking to understand the powerful and living Word of God. We seek to know God more deeply and sense Him more nearly.**

This is a dedicated, diverse group of men. Some are beginners in reading scripture while others have been engaged for decades. We take time to share personal prayer offerings; praises and burdens, hurts and joys and bring them to the alter of our Lord and Savior Jesus Christ, believing the work of God our Father and the Holy Spirit is alive in those who seek His countenance and blessings. All are welcome!

We look forward to seeing you every Thursday at 7:30 am at NSC.

**Our vision is to be a welcoming community of women who gather weekly to grow in our relationship with Jesus Christ and with one another. Through studying God's Word, we seek to deepen our understanding of Scripture and apply biblical truth to every season of life.**

By strengthening our spiritual foundation through God's word in Bible studies we aim to impact our families, our church, and our community with the hope and grace of the Gospel. Ultimately, we envision a Bible study where women are spiritually nourished, empowered to live boldly for Christ, and inspired to reflect His love in their homes, workplaces, and the world around them.
