Hey all! I live in Camarillo, California, along with my wife Jane. I have 5 boys, 11 grandkids, and we've been married 8 years. You know there's a story there if you do the math!

I've been a coach since 2019. I went through Creative Results Management COACH Model courses, have my Professional Coaching Certificate (PCC) from the International Coaching Federation (ICF). I have about 1000 hour of coaching experience. I love coaching because it helps people live on purpose. When you live on purpose you transform yourself and those around you! I love the saying, "If you want to go fast, you go alone. If you want to go far, you go with others". That's why I'm here. I want to help leaders go as far as possible. Simply put, I help make vision happen for others.

I am the Director of Services and Director of Coaching for Vinia (aka Missionary Church Western Region), have a non-profit that provides no cost coaching to international pastors and leaders , and recently, after losing over 50 pounds, a health coach/guide.

Fun fact about me: I started playing the cello about 7 years ago.
