

Ken Taylor is a WorldVenture Missionary in Japan since 1997 involved in:

1. Church Planting Movements,
2. Innovative Ministries,
3. Leadership Development, & 4. Business as Mission (BAM)

Dear FBC Watsonville

I spent the summer visiting partnering churches and supporters. 5 weeks covered 12 cities in 3 countries. It was a whirlwind tour but overjoyed to report about the mission in Japan. I am now back in Tokyo as Fall 2025 is upon us.

Continuing the HGF 25th Anniversary Celebration...

The big concert held last June 28 may be over but the 25th anniversary celebration continues.

The photo on the left is the digital album cover for live concert digital audio that will become available in all digital platforms (Spotify, Apple Music, Amazon, Youtube, LINE, etc). Go to your music paid subscription and search for "Hallelujah Gospel Family".

You will see previous albums. The new album should be available later in September.

There are concert videos now available. Go to this "[showcase link](#)" and select whatever song you want to watch. Some of my favorites are: *Great Jehovah*; *The Blessing*; *He Worked It Out* (w/ Dance Team); *When I Think About the Lord* (w/ shinobue-temple flute).

Family Reunion...

I am normally able to go back to California 2 times a year where all my 3 children live. Anika (33 yo) in San Jose, Luke (31 yo) in San Francisco, Tori (28 yo) in Los Angeles. They are young adults busy with life and their careers (all in the fitness industry). And so, it is more challenging nowadays to meet up.

We did find a new way to get together. We all commit to 4 days and lock that in our calendar for a family reunion. We are able to hunker down and get away and enjoy family time. We are also able to see nature and go for hikes. This photo is in the Sequoia National Park in Central California.

Luke's Marathon - a tribute to Bola...

Luke will be running a marathon this October as a tribute to Bola. It has been 10 years (Oct 19, 2015) since Bola graduated to glory. Luke has been training hard to run in the New York Marathon in October. Luke has chosen a charity that fights Ovarian cancer in memory of Bola.

If you could please pray for Luke since this is Luke's first marathon. If you would like to donate towards Luke's marathon run for this [charity that fights ovarian cancer](#).
