Beth's Aunt Elaine Is with Jesus

Visiting Elaine back in April 2024

Beth's Aunt Elaine passed away peacefully on Saturday morning, November 1. She had been battling cancer.

Elaine was the youngest of Dad Stilwell's two younger sisters. Dorene, the middle child, served as a missionary in Honduras and passed away there in the 1970's.

Over the past year or so, I have been out to Santa Barbara to help Elaine with estate planning issues two times on my own, and then Beth and I were able to get there together two months ago in August. I am flying out to Santa Barbara tomorrow (Tuesday, Nov 4) to start closing out Elaine's affairs. I'd appreciate prayers for travels, financial meetings, and packing up & disbursing Elaine's household items.

Missing Elaine, but rejoicing with her as she is in heaven with Jesus, her Savior.
