V1 VERSE 1

There's something 'bout
This time of year
People singing songs caroling along
Hearts are full of holiday cheer
But not everybody can relate
People all alone some without a home
Wishing they could find
An escape

Pr PRE CHORUS 1

Afraid this year might be the same
But the truth is that
We all just need a little faith

C CHORUS

Thank You God
For knowing what we need
Now every Christmas Eve
We celebrate the Prince of Peace

You sent Your Son
A holy helpless Babe
The only Gift that saves
So we give thanks on Christmas Day

Ta TURNAROUND

V2 VERSE 2

There's something 'bout
This time of year
The star on the tree nativity
Traditions that we all hold dear
It might be hard to understand
But don't get lost
In your own thoughts
He's working on a bigger plan

Pr PRE CHORUS 2

We won't let this year
Just be the same
'Cause now our eyes are on the King

Jesus Christ the One who reigns

C CHORUS

All in

Thank You God
For knowing what we need
Now every Christmas Eve
We celebrate the Prince of Peace
You sent Your Son
A holy helpless Babe
The only Gift that saves
So we give thanks on Christmas Day

The Church gathers 'round
Cause Jesus You came down
And we celebrate it now
