

**THE LORD'S CHURCH**

**Luke 15:4-7**

**In Luke 15, Jesus tells the parable of the lost sheep. Telling us the importance of finding that one that is lost and comparing it to the joy there will be in Heaven over the repentance of one sinner.**

**At one point, we were the one who was lost and needed saving. Jesus left his ninety-nine to pursue us. Now we are called, in a broken world, to pursue the one. The one that is just as important as the rest of the flock. How amazing must the music in Heaven be when the one sinner repents! May we all be bold in our faith as we go through the world, spreading the good news that Jesus loves each and every one of us, all the same.**
