What's The Purpose?

Our favorite way to kick off the new semester is by going on a trip as a group! We set aside a weekend to focus on Jesus, to worship, take steps in our faith, and set goals for the upcoming year. Also, it gives us purposeful time to build relationships with one another, for students to get to know leaders better, and for the group to grow closer as a whole, ...and, of course, create a ton of fun and lasting memories! Many youth groups from all over come together for this weekend. An amazing speaker and worship band are brought in, and we have a lot of fun options like a snow tubing hill, broom ball, winter bonfires, and more!

Where Is It?

Drop off and pick up are at Brooklife Church. We will then be taking a bus to Lake Geneva Youth Camp. Address: W2655 W South St, Lake Geneva, WI 53147

What's The Cost?

The cost is \$185. This cost covers everything except any extra snacks that would want to be purchased from the camp coffee shop.
