## CHRISTIANS AROUND THE WORLD

**Myanmar** (Southeast Asia) – There are many Bible schools here, even though most are illegal, and indigenous church planters and missionaries boldly proclaim the gospel. Churches are growing despite widespread persecution by the government and the Buddhist majority. The government, in cooperation with Buddhist monks, is the main persecutor in Myanmar, but local officials and tribal militias also persecute Christians. Families and villagers who practice animism often persecute those who convert to Christianity.
