FAIR OAKS CHURCH FAMILY,

It is undeniable God was at work in powerful ways among our church and community this past year! Despite the hardships and changes we experienced in 2022, we remain overwhelmingly grateful for God's provision and His faithfulness. In this season of transition, let's stay focused on our unchanging God and the unchanging vision He has given Fair Oaks Church. Our identity and mission is the same as it's always been. **We exist to make disciples of Jesus as a healthy church family so that everyone in Fair Oaks and beyond can flourish! We continue to pursue growth and transformation to become fully mature in Christ** (Colossians 1:28) and to learn what it means to be **FOR** our neighbors because God is **FOR** them.

Before Jesus would be arrested and crucified, he prayed for the Church - for believers like you and me. His prayer was "that all of them may be **ONE**, Father, just as you are in me and I am in you..." (John 17:21). Moving forward, **we will continue to pursue this kind of unity as a church body**. My hope is that you would commit to being an active part of our church family, partnering with us on mission, living into our values, and bringing God's Kingdom to Fair Oaks.

I want you to know that I remain committed to my role as Interim Senior Pastor, trusting God's timing to be perfect. I'll continue being a resource to the PNC team and guiding us forward to the next leader God is calling to Fair Oaks.

In the meantime, I encourage you to remain active as we wait, and begin preparing your heart for what God wants to do through Fair Oaks Church in this next season.
