KIDS & YOUTH CENTER PAID IN FULL | JUNE 2025

This milestone reflects the faithful generosity of many who gave, prayed, and trusted God together. Because of your giving, we were able to pay off the building 4 months early! We thank all who helped bring this project from launch to completion and celebrate God's faithfulness as we look ahead to how He will continue forming the next generation! **All glory to God – for what He has done and will do!**
