WORSHIP SONGS SUNDAY, JUNE 29 | 10:30AM

Let praise be a weapon that silences the enemy Let praise be a weapon that con-

WE PRAISE YOU

quers all anxiety Let it rise, let praise arise We sing your name in the dark and it changes everything We sing with all we are and we claim your victory Let it rise, let praise arise

We'll see You break down every wall We'll watch the giants fall Fear cannot survive when we praise You

Forever lift Him high With all creation cry, God we praise You Oh, we praise You, oh Let faith be the song that

The God of breakthrough's on our side

overcomes the raging sea Let faith be the song that calms the storm inside of me

Let it rise, let praise arise We'll see You break down every wall

We'll watch the giants fall Fear cannot survive when we praise You The God of breakthrough's on our side Forever lift Him high With all creation cry, God we praise You Oh, we praise You, oh This is what living looks like

> This is what freedom feels like This is what heaven sounds like We praise You, we praise (You) (4X)

We'll see You break down every wall We'll watch the giants fall Fear cannot survive when we praise You The God of breakthrough's on our side Forever lift Him high With all creation cry, God we praise You We'll see You break down every wall

We'll watch the giants fall Fear cannot survive when we praise You

The God of breakthrough's on our side Forever lift Him high With all creation cry, God we praise You Oh, we praise You Oh, we praise You **GRAVES INTO GARDENS** I searched the world But it couldn't fill me Man's empty praise And treasures that fade Are never enough Then You came along

And put me back together And every desire Is now satisfied Here in Your love Oh, there's nothing better than You There's nothing better than You Lord, there's nothing Nothing is better than You

I'm not afraid To show You my weakness

My failures and flaws Lord, You've seen them all And You still call me friend Verse: Matt lead, Group harm 'Cause the God of the mountain Is the God of the valley There's not a place

Your mercy and grace Won't find me again Oh, there's nothing better than You There's nothing better than You Lord, there's nothing Nothing is better than You Oh, there's nothing better than You There's nothing better than You Lord, there's nothing Nothing is better than You You turn mourning to dancing You give beauty for ashes You turn shame into glory You're the only one who can You turn mourning to dancing You give beauty for ashes

You turn shame into glory You're the only one who can You turn graves into gardens You turn bones into armies You turn seas into highways You're the only one who can You're the only one who can Oh, there's nothing better than You Oh, there's nothing better than You

Lord, there's nothing Nothing is better than You Oh, there's nothing better than You Oh, there's nothing better than You Lord, there's nothing Nothing is better than You You turn graves into gardens You turn bones into armies You turn seas into highways You're the only one who can You turn graves into gardens

You turn bones into armies You turn seas into highways You're the only one who can You're the only one who can You're the only one who can

HIS GLORY AND MY GOOD I have seen my Father's glory

Revealed in Jesus Christ And the more that I behold Him The more He satisfies When I gaze upon His beauty When I see Him as I should Then my eyes are lifted upward For His glory and my good There is hope in every trial For I can trust the Lord He will turn my heart towards Him And help me bear the thorn So in faith I follow Jesus On the road not understood For I know that He is working For His glory and my good To our God be the glory

To our God be praise He alone the name above all names I will boast ever only in the Lord my God For I know His glory is my good See the open arms of Jesus Upon the cross that day What they understood as weakness Deserves my every praise For the charge that was against me It was nailed into the wood Yes I know that He has saved me

For His glory and my good To our God be the glory To our God be praise He alone the name above all names I will boast ever only in the Lord my God For I know His glory is my good Would I gladly be made nothing That Christ would be made more Would I seek the only kingdom That far outweighs them all I will stand before my Father Where the faithful saints have stood And with joy my heart shall praise Him For His glory and my good To our God be the glory To our God be praise

He alone the name above all names I will boast ever only in the Lord my God For I know His glory is my good To our God be the glory To our God be praise He alone the name above all names I will boast ever only in the Lord my God For I know His glory is my good Yes I know His glory is my good

IT IS WELL WITH MY SOUL Grander earth has quaked before Moved by the sound of His voice

Seas that are shaken and stirred Can be calmed and broken for my regard And through it all, through it all My eyes are on You And through it all, through it all It is well And through it all, through it all My eyes are on You And it is well with me And far be it from me to not believe Even when my eyes can't see And this mountain that's in front of me Will be thrown into the midst of the sea And through it all, through it all My eyes are on You And through it all, through it all It is well And through it all, through it all My eyes are on You And it is well It is well

So let go my soul and trust in Him The waves and wind still know His name So let go my soul and trust in Him The waves and wind still know His name So let go my soul and trust in Him The waves and wind still know His name The waves and wind still know His name It is well with my soul It is well with my soul It is well with my soul It is well it is well with my soul It is well it is well with my soul It is well it is well with my soul It is well it is well with my soul And through it all, through it all My eyes are on You

And through it all, through it all It is well And through it all, through it all My eyes are on You And it is well with me
