Job 28-29 - “A Word To The Wise”

Briefly share what point(s) from Sunday’s Study spoke most to you?

Ice Breaker: If the Lord said: “I will give you a 2nd house anywhere in the world to live in for half of the year”, where would you have that house be located? Why?

Lessons dealing with misunderstanding God were discovered in 28:20-22

How can understanding be found amid what is not understood?

Read over the verses below and discuss their relevancy in finding understanding from God.

Psalms 147:5 – is there misunderstanding because of overthinking? (on my part)

Luke 12:28 – what role does personal faith play in finding understanding?

Deuteronomy 7:9 - can you testify of God providing understanding? Share it.

John 14:26 - does the Holy Spirit reveal Himself to solve misunderstandings?

When? How?

Taking the 5-Points worth defending from chapter 29 ... have a member from the group represent the one that is most important to them (their #1 of the 5).

Knowing the list consists of (5) elements, hopefully you will have (5)

individual who each hold a different element as their #1. :/

Give them a moment to prepare and then have each defend their #1 choice.

But - their defense has to come in a specific setting:

You (the group) are an indecisive customer at an ice cream counter.

They are behind the counter.

Have each one try to sell the group on their #1 using terminology that represents ‘flavor’ of their #1 choice. (i.e. ‘Harmony with God is loaded with robust flavor’)

Hoping this will be creative (not corny) to have everyone involved explore more of the greatness of God.

Close in Prayer for one another
