### SEPTEMBER AND OCTOBER UPDATE

To my fellow-laborers in the Gospel,

Thank you once again for your faithful financial and/or prayer support. September and October have flown by! It has been great to spend a good amount of time here in Kinston with my home church, family, and friends. I've enjoyed doing some deer hunting as well! I praise the Lord that He allowed me to finish my pilot's license in September and for the great blessing that Aero Missions has been over these past few months. I look forward to seeing how God will use aviation in our ministry down the road!

I am grateful for all the meetings that God has allowed me to have recently. Most of the meetings were in North Carolina and Alabama, but I traveled to Georgia and Ohio for meetings as well. I praise the Lord for the new churches that have begun supporting us on a monthly basis. I am now slightly over 75% to reaching my full-support level. Please pray that God will continue to bless in the meetings that I have scheduled in November and that I will be able to schedule some more of the services that I have available. There are several churches that I have presented in over the past couple months that have expressed a desire to support our ministry in the future if the Lord allows.

I was able to be here for the Fall revival services with Evangelist Paul Crow in my home church in October. God worked in our church in many ways! We had three adults trust Christ as their Savior as a result of the services, all of which were baptized after the meeting was finished! During a time of door-knocking that same week, we were able to lead a young man named Cameron to Christ also. I have been able to maintain contact with him and hope to take him to church with me soon. Brother John Wright and I went to the campus of ECU a few weeks back and in 4 hours we saw 4 college students receive Christ as their Savior!

Angelica and I have been preparing documents and trying to make plans for our marriage in December. I now have my ticket to move to Colombia on December 2! We are hoping to find the right notary office there to be able to have the marriage soon after my arrival since the time frame and requirements vary from office to office. Thank you for your prayers and support!

In Christ,  
Rob Parsons
