MATT HOWELL
Student Pastor

PRAISE GOD FOR WNTR WKND!

Join me in praising God for an incredible WNTR WKND! Over 100 students worshiped the Lord through His Word, through music, by serving in sanitizing Tift County High School, and by continuing to build biblical community in their small groups and host homes.

I firmly believe in the power of a team, especially when a team comes together to accomplish something meaningful. WNTR WKND was yet another reminder of how this church consistently rallies together to achieve something greater than themselves: representing Christ and loving students toward the cross. From our amazing small group leaders, our speaker, Ricky Sowell, the talented worship band, the excellent food team, and the gracious host homes to the unsung heroes of the facilities team, God is continuing to use His church as a vessel to draw the next generation into a relationship with Him.

The best is yet to come,

Matt

THANK YOU, FBC AND SUMMER DATES OF NOTE

Thank you for always being so supportive of our CentriKid Spaghetti Fundraiser! Your generosity will benefit many families and provide a financial blessing toward their camp fees. The love and support FBC Kids feel from our FBC Faith Family is unmatched. Please mark your calendar for March 9th, as we will have one final spaghetti lunch to help families who may not have been available the first time.

VBS is right around the corner. We will follow the North Star to the One True Light as we travel deep into the woods for True North VBS June 2-6. Please mark your calendar and be on the lookout for more information.

2nd-5th grade families -

We would LOVE for your child to join us for CentriKid Camp, June 16-20, at Gardner Webb University in Boiling Spring, NC. Please register before February 15th at fbctifton.org/events. I love camp, and I would love for your child to experience a week away diving into God's love at camp.

Marcia
