45-Minute Book Discussions

12:00-12:45pm (central)

Book discussions are open to all members of the Leading Well Facebook Community and to those who have or will be participating in the Leading Well Learning Retreats. This year's book selections focus on two primary themes - living well and leading well. Discussions are held via Zoom and are lead by members of the Leading Well Facebook Community.

Each discussion lasts for 45 minutes. They are held the 3rd Wednesday of the month at 12 noon (Central). The following Zoom link is used for all discussions:
<https://us02web.zoom.us/j/5412529630>

We encourage participants to read the books ahead of time, listing questions and concepts that intrigued them while reading.

A summary of each book along with discussion questions will be posted on the Leading Well Facebook Group the day of the discussion.

You are welcome to invite staff members and other colleagues to participate if you so desire. A recap of emerging themes that come out of the book discussion will be posted on the Leading Well Facebook Group and may also include a few Youtube Shorts.
