NEW and *PROSPECTIVE MEMBERS'* **Orientation Class**

We are honored to have NEW MEMBERS in the Highland Church Family! There is much to accomplish for God's kingdom and much to learn in our Christian life. It is good to have new friends and family to walk with.

We will be offering an Orientation Class for NEW and "PROSPECTIVE" members of Highland. If you have recently joined us, or if you are considering Highland as your church home, this class will share information and Highland's spirit with you. What exactly is our church's core set of beliefs in regard to the Bible, God, salvation, mission, and vision? How do we go about operating within those core beliefs? What does our infrastructure involve regarding committees, finances, ministries, leadership, and fellowship?

Each Sunday morning, April 21-May 12, we will have coffee and pastry at 9:00 in the fellowship hall, followed by the Orientation Class at 9:15. Pastor Charlie Sisti, our Children's Pastor, will lead in this effort to inform and involve you in the ministry of Highland Baptist Church.
