

Hi there! Miss Julie and Miss Nicole here! We want to welcome you to the 2's & 3's Class for the 2023-2024 school year. We are excited to meet and get to know all of you. We are looking forward to having your little one with us this school year. We would like to let you know that we use BJU Press for our curriculum. We have a farm-themed classroom that goes along with our barnyard-theme curriculum. Barnabas the farm cat leads us through our daily circle/learning time!

Meet Your Teachers!

Hello My name is Miss Nicole and I can't wait to start the new school year with your little one! I have been at St. Peter Preschool for 6 years and have been teaching preschool for 15 years. *I attended Cosumnes River College and have been teaching since 2008.* Outside of school I enjoy making pottery. *I find so much joy and fulfillment in teaching and being a part of the children's lives. In my free time I love being outdoors and in nature. I love music and art. I have my own ceramic wheel and love making pottery.*

Hello, My name is Julie Sage. I am excited to meet all of you and your sweet little ones! I started St. Peter Preschool as a substitute last school year. I am looking forward to being a permanent teacher this year. I have been teaching preschool since 2001. One of my favorite things about teaching preschool is seeing the joy and excitement of learning on the faces of my students. In my free time I enjoy decorating, party planning and photography. I have been married to my husband Matt for 20 years (this August). We have one child, our son Eddie who is about to begin his senior year of high school. A few of my favorites are Daisies, the beach and all things farmhouse.

This will be a great year full of joy, laughter and learning!

Love, Miss Julie and Miss Nicole
