WHY A CHRISTIAN EDUCATOR?

I chose to be a Christian educator because of the influence of educators throughout my own education. I attended Lutheran schools from kindergarten through all 4 years of college. The bond I was able to make with my teachers at those schools helped shape me into the person I am today.

It is also because my faith is such an integral part of my life, I want to be able to openly share it with my students. I want them to see what it looks like to invite Christ into every single part of their lives.

EDUCATION PHILOSOPHY

I believe that education is constantly changing and growing. Therefore, as teachers we should strive to also continually learn and grow. Adopting new strategies to help every student succeed and always being open to asking for help and admitting we don't know everything.

HOBBIES & LIKES

I enjoy spending time outdoors with my family. In the summer I love to water ski and wakeboard, go to the beach or anywhere I can be by water. I like to go to baseball games (Go Angels!) and also love to play sports when I get the chance. Mostly I enjoy anything I can do with family and friends.
