College: California State University, Sacramento and National University

State Credentialed: California

Degree(s): B.A. in Photography, CSUS
Inspired Teaching Multiple Subject
Credential, National University

WHY A CHRISTIAN EDUCATOR?

As a Christian educator at St. Peter, I strive to teach my students that they are a special creation of God, who is loved by Jesus, and surrounded by the Holy Spirit. Having Christ as the center of our classroom and showing my students God's love every day is why I became a Christian educator.

EDUCATION PHILOSOPHY

I believe that all students are unique and need a teacher that caters to their individual needs in a safe and stimulating environment. I want to create a classroom where students can flourish and explore new methods of learning to reach their full potential. My goal is to create a warm, loving environment so students feel safe to take risks, express themselves, and learn from their mistakes.

HOBBIES & LIKES

I am a happily married mother of two sweet girls. My family and I love to go camping and exploring the outdoors. I love spending time at the ocean and picnicking on the beach. In my free time at home, I like to practice calligraphy and enjoy daily journaling.
