WHY A CHRISTIAN EDUCATOR?

I believe there is no better leader than Jesus Christ and why not teach with the freedom of sharing the good word openly. St. Peter is my home church and it is an honor to teach here.

EDUCATION PHILOSOPHY

My education philosophy is firm but understanding, tough and compassionate. I believe if I teach it, you will learn it, then you can master it, never forget it, "it is yours to keep".

HOBBIES & LIKES

I enjoy going on vacation and spending time with my family. I enjoy the outdoors and playing sports. Football and baseball are my favorite sports (the New York football Giants and the New York Yankees).
