

Hello and welcome!

My name is Jan Hust and It is my blessing and honor to serve as the Director of St. Peter Preschool. I have worked as an early educator for the past 22 years in both Stockton and Lodi. I am the mother of two adult sons and have been married to my husband, Richard, for 35 years.

Here at St. Peter, we strive to ensure that our children are not only prepared academically and emotionally to step into their elementary years, but also spiritually. We believe that each child is a special and unique creation of God. Through our daily devotions and weekly chapels, we pray that this message would sink deep into their hearts and minds!

Again, welcome to the St. Peter Preschool family. My staff and I look forward to partnering with you as together we prepare your little one for a lifetime of exploration and learning!

Sincerely,

Mrs. Jan Hust

Preschool Director
