

Created to Belong

POINT TO PONDER

You were formed for God's family.

UNDERSTANDING

His unchanging plan has always been to adopt us into his own family by bringing us to himself through Jesus Christ. Ephesians 1:5s

When have you felt the strongest sense of belonging—in church or elsewhere?
What made that environment feel like “family”?

What makes it hard for people (including you) to fully connect or be honest
in community?

In what ways has God used other people to encourage, challenge,
or support your faith?

What's one simple step you could take to lean in more to God's family—either
in this group or in the church as a whole?
