

What God Thinks About You

September 28 - October 4, 2025

QL

JESTIONS TO CONSIDER:	
	1. What do you think God thinks when He thinks about you?
	2. How does it make you feel when you hear that God "delights" in how He designed you?
	3. Do you know the purpose or assignment that God has given you?
	4. Are you fulfilling that purpose today?

PRAYER:

Pray that your group nestles into the realization that each individual was uniquely made by God, and created for a great purpose. Ask the Lord to reveal to those who don't understand their purpose, and that you all will walk confidently in His provision of your role, as His chosen sons and daughters. Pray for the will to obey and to share Him and to give His gift to those who are searching.
