

Dear Little Light of Mine Families,

As we begin planning for the upcoming school year, we want to thank you for being such an important part of our Little Light of Mine community. Your support and feedback have helped shape the growth of our program over the years.

Two years ago, after many requests from families, we were excited to add a half-day Kindergarten class. This addition has been a wonderful success! Once again, several families have asked if we would ever consider offering more grades.

We are now in the early stages of exploring the possibility of adding a combined 1st/2nd grade full-day class for next year. Before making any decisions, we would love to hear from you to gauge interest.

Please take a moment to complete and return the form below along with your registration form by **December 12th**.

If your family no longer needs our services next year, we encourage you to pass this information and form along to a friend or family member who may be interested in joining our Little Light of Mine family.

Thank you for your continued support and for helping us plan for the future of our school!
