# National Conference Update

The Presentation of Service Awards was one of the events which occurred at CEF"s National Conference.

Trish is pictured here standing with the President of CEF, Jeremiah Cho. She received her 40 years of Service plaque and pin.

Thank you for all the years of support, prayer and encouragement that you have given so that Trish would see this day.

Jesus My Savior and Friend!

The opportunity is coming
For children in your neighborhood—

To hear that
"believing on the Lord Jesus Christ—
Jesus can be their "Savior and Friend".

Jesus My Savior and Friend—
The theme of this year's 5-Day Club®

We are going to get to hear how Jesus is…

Savior!

And

Best. Friend. Ever!

Jesus My Savior and Friend!

Be a part of something BIG—

Host a 5-Day Club® in your yard!

Kids in your neighborhood can then hear
"the Good News" that
"Jesus can be your Savior and Friend!"

Do you have two hours per day for one week during
June, July or Aug in which to take part in this ministry?

We will come and teach the "Good News".

You invite the neighborhood children, provide a treat,
an old blanket to sit on out in the yard,
and fill out some Child Protection Policy paperwork.

It's that easy!
