

Grace Missions Prayer Requests

-Trish Gustafson as of 10/2/25

- Pray for Trish - as I teach the lesson: that it will flow well, make sense to the kids and leave them loving God.
- For the kids - that they come, listen, and have eyes if their minds and hearts opened to see God in His wonderfulness.
- For all of us as teachers and helpers - that we image God well, so the children will get a picture of this God of whom we are talking.

-Chelsea Ecklid as of 9/15/25

- Incoming students. Paying tuition, finding housing, that God would move in mighty ways in their life. For unity and gelling amongst the classes.
- Personal prayer. For grace in this season, in navigating the complexity of this season alongside ministry. Grace to care for the students. Wisdom in discipling the women of RSM.
- Family. Continued prayer for my parents as they navigate health and the weight that comes with it.
