MIDDLE SCHOOL & HIGH SCHOOL—Large Group Christmas program followed by small group Christmas party time

- Tonight was all about celebrating the joy of Christmas together! We pressed pause on our regular Bible teaching and kicked things off with Christmas worship, followed by a Christmas rap performance, as well as lip sync contest that was both cringy and funny. The large group programming portion of our evening concluded with four of our Crossroads pastoral staff acting out a hilarious “12 Days of Christmas” parody—definitely a crowd favorite! We wrapped up the night with students gathering in their small groups to celebrate, connect, and pound down a lot of pizza.

Four questions for parents to ask their students regarding tonight's RUSH:

1. *What was the best part of the night for you?*
 2. *When did you laugh the hardest tonight? Why?*
 3. *What did you think was the cringiest part of the night?*
 4. *What did you do (or eat) in small group that you really enjoyed?*
