Thank you for your interest in Kids First Day School of the First Methodist Church of Trussville.

Our full time Kids First Day School program is designed for children six weeks of age and continues through the fifth grade for our school age after school care. Any child of this age range is eligible, provided that the program can meet the needs of the child, and if there is space available, as determined by the director. Parents with children already enrolled in the center will receive first priority to register; church members (active at least 6 months) will receive next priority, then registration will be open to the community.

After a spot becomes available, there is a nonrefundable Registration Fee of \$150.00 that must be paid before the child can begin care.

The First Methodist Church of Trussville sponsors Kids First Day School on a non-profit basis. This program is designed to minister to the needs of working parents by providing childcare for children in this local church and community. The operation of the center is subject to all church policies and the supervision of the Church. Because we are a church-based center, Kids First is not required to obtain a license from the Alabama Department of Human Resources (DHR). However, Kids First follows DHR standards and policies as closely as possible and tries to exceed those standards and policies, especially with our child/staff ratio.

Kids First Day School believes that children should grow and learn in a loving, Christian environment. The center provides developmentally appropriate activities that encourage a child's social, spiritual, emotional, cognitive and physical well-being. Our faith-based curriculum, The Pinnacle, accompanied by the Alabama Pre K Standards, encourages our children's learning in literacy, mathematics, science, creative thinking, problem solving and physical fitness. Assessments are completed to review three times per year through ESGi.

Kids First is a self-supporting, self-sustaining entity and, as such, cannot afford to accumulate delinquent revenues from student fees. **Tuition is due before the 15th of each month.**

- **Monthly tuition for our Infant, Toddler, and 2K Program:** \$1,066.00
Beginners, Creepers, Seekers, Explorers and Adventurers
- **Monthly tuition for our 3K and 4K Program:** *(children must be potty-trained):* \$1,030.00
