

SUMMER 2026 INTERNSHIP

Worship Ministry

FULL-TIME | 8-10 WEEKS

PURPOSE

We believe one of the primary purposes of the church is to gather and offer worship to our God. In our context, effective planning of— and leadership within— these gatherings is important. We also believe in investing in you, a rising leader who has a passion for worship ministry and the church. In this internship, we work toward these values by providing hands-on, practical learning within the church where you can refine and strengthen the talents and gifts God has given you, and grow in your sensitivity to the Spirit.

ABOUT US

Our church currently averages 1,000 attendees between our three Sunday services and online viewing. We envision a day where everyone who calls Ridgepoint their home is passionately helping more and more people find and follow Jesus. We will be marked by a zeal to pursue Christ while also impacting those in our circles of influence, united around a common goal of reaching those in their 20s and 30s and young families for Christ.
