

The following vows will be taken during a Sunday Service as a part of formally installing any new Elders.

Elder Vows

Adapted from Acts 20

- 1 We devote ourselves to you as under-shepherds of Christ to the sheep of His fold,
- 2 to pay careful attention to ourselves that we might not lead you astray,
- 3 to pay careful attention to you that we might not lose you along the way,
- 4 to oversee and care for you, knowing that Christ has obtained you with His own blood,
- 5 to not shrink from declaring to you the whole counsel of God,
- 6 to not stray from proclaiming to you the word of God's grace, which is able to build you up and give you an inheritance among all those who are sanctified,
- 7 to serve you and not lord it over you,
- 8 to lay down our lives for you as Christ laid down His life for us.
