## NOVEMBER SERIES

Racers, start your engines! In a race, you might need to navigate obstacles, pit stops, and tight turns in order to stay on the right track. As you're zooming through the track, there's so much to think about and it can be hard to stay focused on what's most important! In this four-week series, we'll learn some important stories from Joshua about how obstacles are no problem for God and courage comes from knowing God's words. No matter how long the race, God can use someone like you because with God, there is victory!

for parents

Racers, start your engines! In a race, you might need to navigate obstacles, pit stops, and tight turns in order to stay on the right track. In this four-week series, we'll learn some important stories from Joshua about how **obstacles are no problem for God** and **courage comes from knowing God's words**. No matter how long the race, **God can use someone like you** because **with God, there is victory!**

Want to learn and grow alongside your kid as we go through this teaching series? You can! Spend a few minutes each week **studying** the passages of Scripture we'll be teaching, **praying** about what God wants to do in you and in your family, and **growing** by putting God's words into practice in your own life.
