

The Ron Feenstra Legacy Fund

The Ron Feenstra Legacy Fund was established in 2021 following Ron's passing, as he joined our Heavenly Father. This fund was created by Ron's family in honour of his deep passion for the SunWest Mexico Mission Trip and the impact it has had on the lives of young people.

Ron first attended the Mexico trip in 2007 while his sons were in high school. What began as one trip became over ten years of faithful service. Ron's wife, Sheri, served alongside in an administrative role for many years and continues to support the organization of this ministry.

Ron's legacy on the Mexico Mission Trip is one of leadership, joy, and deep care for students. While his time serving in Mexico was shorter than hoped, his heart for the trip and for those who lead it continues. Through prayer and discernment, the Feenstra family felt a specific calling to support SunWest Youth Leaders—those who invest deeply in students and often take time away from work to serve on the Mexico Mission Trip.

The Ron Feenstra Legacy Fund exists to help remove financial barriers for SunWest Youth Leaders to attend the Mexico Mission Trip, strengthening leadership and creating greater opportunities for life change in the lives of our students.

With grateful hearts,
The Feenstra Family
