Spring has sprung. Trees have leafed. Flowers have bloomed. Pollen has fallen. (Ah-Choo!)

May is the season of Mother's Day and graduations. And in a few weeks, schools will be out for summer recess and Memorial Day will kick off the season of summer vacations.

On Mother's Day, as we think about the blessing of moms and their children, I plan to speak on *Why We Are Pro-life* from Genesis 1:26-28; 2:7. I have become increasingly convinced that the pro-life ethic is rooted in the creation narrative, particularly in God's breathing life into man's nostrils. Join me as we celebrate God's work and design for our lives.

On May 18, we will be celebrating graduates. I'll be preaching from Psalm 145 on the importance of one generation declaring the goodness of God to the next generation. If you have a high school graduate who will be participating, please register him or her at: bvbaptist.com/2025-graduates.

I look forward to worshipping with you throughout the month of May.

For the gospel,
Pastor Brent
