2025] Kingdom Builders

“So that all may hear.”

What is **Kingdom Builders?**

Kingdom Builders is a generosity initiative that helps accelerate the Kingdom of God by investing in local church expansion, global missions, and future Christian leaders. This end of the year campaign is a way for our Bethel family to give above and beyond our tithe to reach those who don't know Jesus worldwide. When you give to Kingdom Builders, your giving changes lives across the globe. Missionaries are equipped to reach people who have never heard the name of Jesus, children are saved from a life of being trafficked, and thousands experience miraculous healing. But it doesn't stop there. Your giving goes to local ministries across the country and right in our backyard.

Biblical Foundation

All throughout Scripture, you can see God's heart for the world and the nations. In fact, there are 1,600 Bible verses that show God's passion for the world. From Genesis to Revelation, God's desire is to make Himself known and show His love to all people on earth.

In John 3:16, it says, *"For God so loved the world that He gave His only son."* Christ's last words, known as the Great Commission in Matthew 28:18-20 can also be found in Acts 1:8. Jesus says, *"You will be my witnesses in Jerusalem, and in all Judea, and Samaria, and to the ends of the earth."*

These words of Christ are our common mission as followers of Jesus. Our ultimate goal, found in Scripture, is depicted in Revelation 7:9-10, where it says that every tribe and nation would gather around the throne of Jesus, giving Him all of the praise and worship. Simply put, the aim of our mission is to see God's glory, and the gospel advanced among all the nations and people on earth, which includes the lost in our own local communities. If God's heart is for the world and the nations, are our hearts in alignment with His mission? As followers of Jesus, we should be on mission for Him so that all may know and worship Him.

Kingdom Impact

Here is a glimpse of your generosity:

In 2023, we set a goal of \$50,000, and we gave **\$54,515.21**.
In 2024, we grew our goal to \$65,000, and through your generosity, we gave **\$78,349.59**.
In two years, our church has generously given **\$132,864.80** towards Kingdom Builders.
Since its start, **155** families and individuals have given.

Areas of **IMPACT**

Global

In Mark 16:15, Jesus told us to “go into all the world and preach the gospel to everyone.” Through Kingdom Builders, people from every tribe and every nation are being told about Jesus for the very first time. We are rescuing children from a life of trafficking, building homes for those in need, and serving pastors across the globe.

Local

From our own backyards to the other side of the country, people are in desperate need of the unconditional love of God. When we support local ministries, we meet the needs of the surrounding communities and share the love of Jesus with our neighbors.

Future Christian Leaders

The generation that is rising is not the generation of tomorrow; they are the generation of today. Through your generosity, we are supporting institutions who are raising up ministers for the gospel. We have also supported youth students attending missions trips and funds have been raised to support our own members as they prepare for the call.

Ministry Highlight: **Change The Map**

In 2013, a small team of cross cultural workers in Southeast Asia began to dream big. They looked at a map filled with nations where Buddhism is the dominant faith and felt a holy burden. What if prayer could change this map? From that simple but powerful vision, Change the Map was born. Their mission is clear – to bring the love and hope of Jesus Christ to the Buddhist world through united and persistent prayer. Every week believers around the globe are joining in through Prayer Moments and online platforms like Twitter, Instagram, and Facebook. This movement reminds us that maps are not fixed. They can be redrawn when God's people pray. When we lift up Buddhist nations together, we are part of shifting spiritual landscapes and preparing the way for hearts to encounter Jesus.

Project Update

The year 2025 has marked an exciting new chapter for Change the Map. To reach even further, they launched a major renovation of their media center. The upgraded space is now equipped to produce high quality videos, podcasts, and digital resources that carry stories of hope, testimonies of transformation, and invitations to pray. This expansion is not only about better equipment; it is about amplifying the message so more people can hear, see, and respond. Every prayer warrior and financial partner has a hand in this, making it possible for the story of Jesus to spread more broadly across the Buddhist world. Together we are not only watching history unfold; we are shaping it. Through prayer and support, the map is being changed one life at a time.

Become A Prayer Partner

One of the most powerful ways you can take part in Change the Map is through prayer. Right now 8,705 people have committed to pray each month for the Buddhist world. The vision is to see that number grow to 50,000 prayer partners. This is more than a statistic. Each person who signs up represents a voice lifted to heaven, asking God to bring hope and transformation to places where the name of Jesus is rarely heard. When you become a prayer partner, you go beyond financial giving. You put into action a desire to see people encounter the love of Christ. Your prayers join with thousands of others around the globe, building a movement that can change nations. Will you add your name to the growing number of prayer partners? Together we can believe for God to change the map. **Join the movement.** Scan the QR code and add your name to the 50,000 prayer partners.

"The gospel is only good news if it gets there in time." – Carl F.H. Henry

The Unreached

More than 7,000 people groups in the world are considered unreached. Over 3 billion people live among the unreached. 42% of the world has yet to hear the Good News of Jesus. Of the 7,000 languages spoken around the world, about 125 million people do not have a single verse of Scripture translated into their language.

10/40 Window

A Geographic region of the world located between the 10 & 40 degrees latitude from West Africa to East Africa. 97% of the world's unreached people live in the 10/40 window. Home to Muslims, Hindus, Buddhists, and secular atheists. 68 countries across North Africa, Middle East, and Asia. Only 3.4% of missionaries serve here. The unequal distribution of the gospel of Jesus Christ is the greatest injustice on earth today. So much good work is being done, and we believe the best days to reach our world are still ahead of us.

Our Commitment to the Unreached

Global Teen Challenge

Each day around the world, someone cries out for freedom—from addiction, from despair, from hopelessness. And each day, because of God's grace and the faithful support of partners like you, Global Teen Challenge stands ready to respond. With 1,400 expressions of ministry in 140 nations, we are seeing firsthand the transformational power of the Gospel. Men, women, and teens who once felt forgotten are finding freedom, healing, and purpose through long-term discipleship in Christ. Yet, we know that the scope of this mission is far greater than any one organization can accomplish alone. That's why we're asking for more than giving, we're asking for prayer.

Our long-term vision can only be accomplished through prayer partners who have a heart for the nations and a burden to see the gospel reach every tribe and tongue. Your prayers unlock doors, break chains, and prepare the way for God's Spirit to move. Together, let's pray for those battling addiction around the world—until all live free.

—BRICE MADDOCK, *President & CEO of Global Teen Challenge*

Teen Challenge Cambodia – Visoth's Story

Visoth's life began in the streets of Cambodia, where survival was the only thing that mattered. Growing up, Visoth's father was a beggar, and his mother spent her days picking through trash and collecting recyclables. Life was hard, and love was not something Visoth knew. Instead, he learned how to survive—often from the streets, where friends introduced him to drugs at just 9 years old. The numbness they provided seemed like the only escape from the harsh reality he faced at home. As he sank deeper into addiction, Visoth felt even more lost.

One day, a teacher who saw the pain in his eyes reached out and brought him to Teen Challenge. That moment was the beginning of a radical transformation. For the first time in his life, Visoth encountered the love of Jesus.

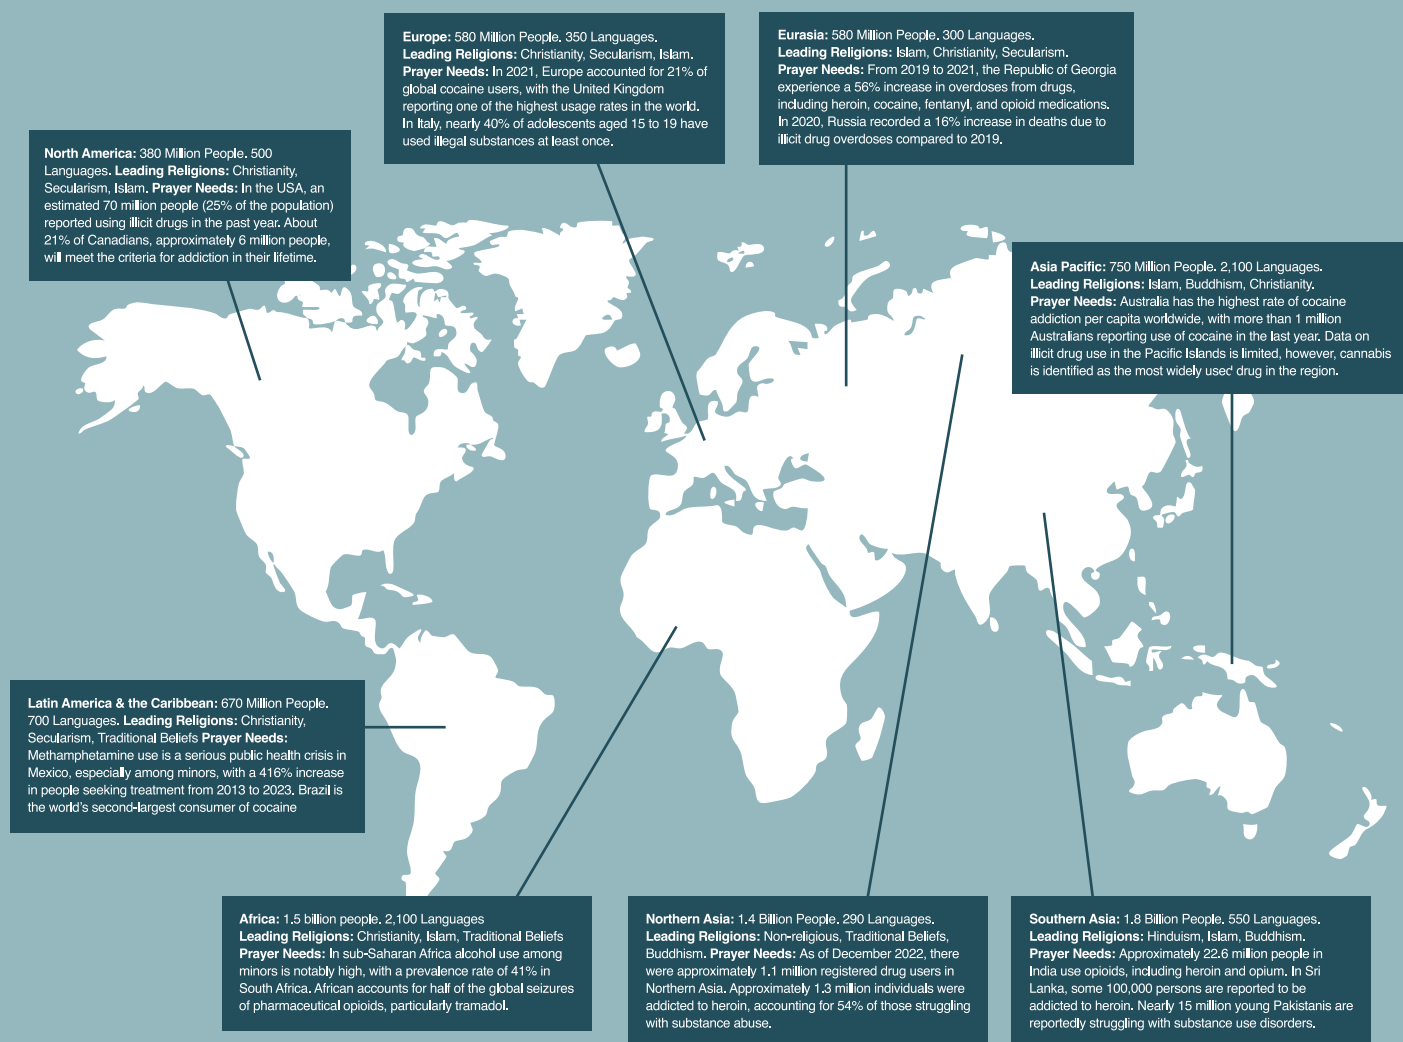

*Visoth upon entering
Teen Challenge*

During his 9 years at Teen Challenge, Visoth overcame addiction and learned what it meant to be loved and to love others. He was mentored by teachers and case workers who helped him not just with his physical and emotional struggles, but also with his spiritual growth. Through their support, Visoth realized that the emptiness he had been trying to fill with drugs was meant to be filled with the love and grace of God.

Now, as a teacher at Teen Challenge, Visoth is passionate about showing love to the students he now mentors. Every day, he walks alongside others in their journey of healing. Visoth's story is a testament to the transformative power of Christ and the life-changing work happening around the world. It's a reminder that no matter where we come from, no matter the struggles we face, God's love can find us, heal us, and equip us to share hope with others.

Visoth found hope when he needed it most, thanks to you. Our dedicated army of donors makes it possible for men, women, boys, and girls around the world to experience healing and restoration. We are beyond grateful for your continued partnership. Thank you for standing with Global Teen Challenge on the frontlines in the battle against addiction.

Lonesome Dove

A Place of Hope

Lonesome Dove is a sanctuary for children who have faced some of life's hardest trials. Many come from the foster care system, carrying the weight of trauma, abuse, neglect, or abandonment. At the ranch, they discover something different: a place of safety, belonging, and hope. For 17 years, Lonesome Dove has been giving children life-changing experiences through camps and programs designed to restore joy and help them see a brighter future.

What We Do

- **Children Served:** Each year 300–350 children take part in our camps. No more than 50 per camp ensures personalized care.
- **Volunteers:** 600–850 volunteers join us annually, offering a 2:1 ratio of love, guidance, and attention.
- **Ages:** Camps serve kids ages 6–12, with new programs for teens 13–16 launching in 2025.
- **Funding:** 100% is privately supported by donors, businesses, and churches.
- **Future:** A long-term residential care program is being prepared, with the first homes expected by 2026.

How Healing Happens

Every part of Lonesome Dove is designed to restore what was broken:

- **Equine Therapy:** Horses help children build confidence and connection.
- **Adventure Activities:** From fishing to horseback riding, every activity creates joy and new memories.
- **Spiritual Support:** Prayer and worship offer comfort, peace, and renewal.
- **Community and Care:** Volunteers, counselors, and staff walk alongside each child with encouragement.
- **Family Support:** Families are trained and prepared to adopt, fostering safe and loving homes.

Stories of IMPACT

Haley's Story

At just seven years old, Haley was found abandoned in a hotel room after enduring severe and unimaginable trauma, including sexual abuse and neglect. Removed from this dire situation, she arrived at Lonesome Dove Ranch scared and withdrawn. However, through the love and support of the ranch's community, Haley not only found her voice, but she also found new hope. By the end of her time at camp, she was connected with a foster family who would later adopt her and give her the forever family she had always longed for.

Braylon's Story

Braylon was a young camper who came to Lonesome Dove Ranch with the same story of brokenness and instability as other children in the foster system. Over the year, he became a repeat camper, was adopted into a Christian home and began attending a local church.

Today, Braylon continues to give back. Now a freshman at Texas A&M University, he returns to the ranch to mentor other children as part of the staff, helping campers with Bible lessons and worship activities. Braylon's goal is to ensure other children experience the same healing and hope he found.

The Vision

Lonesome Dove is more than a camp. It is a movement of hope, faith, and healing. Here, forgotten children are reminded they are seen, loved, and created with purpose. Our vision is to keep expanding until every child who needs healing has a place to find it.

The Impact of Funding

Through Bethel's giving, we are able to:

- **Sponsor Children to attend camp**
- **Expand our reach to serve more children and families**
- **Support the launch of a residential program for long-term care by 2026**
- **Maintain the ranch as a sanctuary for healing**

Sweet Grace Ministries

Finding Comfort through God's Sweet Grace

When we first learned that our baby would not make it, we were devastated. In the middle of our heartbreak, three different people from completely different parts of our lives all suggested Sweet Grace Ministries. Each of them said it was an incredible organization that could walk with us through such a painful season. That encouragement gave us the courage to reach out, and our first connection with them was through receiving a comfort bag.

From the very beginning, Sweet Grace surrounded us with compassion. For families experiencing early losses, they provide comfort bags, and for later losses, they send baskets and offer a photography ministry, giving families the only photos they will ever have with their babies, something that is truly priceless. After the initial care package, they invite parents into support groups where, month after month, we are able to connect with others who understand this unexplainable grief. Those groups have helped us form deep friendships with people who truly “get it.”

One of the most meaningful ways Sweet Grace has cared for us is through their card ministry. On Mother's Day, Father's Day, our baby's birthday, and at Christmas, we receive a handwritten card. Those notes come on the hardest days and remind us that our baby's memory is alive and honored.

I still remember the moment our comfort bag arrived. It was heartbreaking to open, yet so healing. Inside were prayers, books, pamphlets, baby-related items, bracelets, and small personal touches that showed just how deeply they cared for and guided us with helpful resources. Sweet Grace has also supported both my husband and me in our unique ways of grieving. We have walked through this loss differently, but they've reminded us that there is no “wrong” way to grieve. Their support groups have given both moms and dads a place to hear one another's stories and find encouragement.

Because Sweet Grace is a Christian ministry, their presence in our darkest valley was a powerful reminder that God never leaves us. Their support has helped me find strength in my faith, even in the hardest moments. They have also helped me embrace my motherhood with confidence. Though it looks different than I imagined, they remind me that my baby, Jayce, did exist, even if it was only for 8 weeks & 4 days, and that I do not have to remember him alone.

Looking back, I realize one of the most impactful parts of their ministry is how they affirm that every life, no matter how brief, is valuable and worthy of remembrance. In a world where early loss is often dismissed, Sweet Grace boldly says the opposite: these lives matter, are deeply loved, and it is okay to grieve what could have been.

Sweet Grace Ministries has truly changed our lives. They meet families at their lowest point and continue to walk with them for as long as they are needed. Too many parents walk through pregnancy and infant loss alone, but with Sweet Grace, no one has to walk alone.

—SYBELLE AND JACOB KONEFSKY

Our Mission

Sweet Grace Ministries exists to provide support, hope, and compassion to families experiencing miscarriage, stillbirth, infant death, and life-limiting diagnosis. Through baskets, comfort bags, photography, support groups, remembrance events, and mentorship, we remind families that they are not alone—and that even in loss, there is grace.

Experiencing Beauty in the Ashes

Every year, Sweet Grace Ministries witnesses moments of both deep sorrow and incredible healing. Because we walk daily with families in grief, we also get to see powerful stories of redemption—proof that beauty can truly rise from the ashes.

“After attending the walk, she said she could finally see the light again.” – Family member at our annual remembrance walk

One recent story came from our annual Sweet Grace Walk. After the event, a family reached out to share how profoundly it had impacted their mother—the grandmother of a baby who had passed away. In her grief, she had lost all sense of hope and had turned to alcohol to cope. But something changed that day.

After listening to the story shared at the walk, she told her family she could finally see light again—a glimpse of hope and a way forward. She has since stopped drinking and is taking steps toward healing. In our support groups, we see this same transformation take place week after week. Parents arrive unable to speak through their pain, but months later they are the ones lifting others up—offering compassion and encouragement to those who are just beginning their journey.

Sweet Grace Ministries has always been about showing the love of Jesus through grace, compassion, and community. Our prayer is that through the care of our volunteers and staff, families will see Him in the middle of their grief.

In 2025, we have seen this prayer answered time and time again. We are deeply grateful.

Faith Bible College International

Our Mission

The mission of Faith Bible College International is to prepare professional, Pentecostal servant-leaders who make a world of difference in fulfilling the Great Commission of the Lord Jesus Christ. (Matthew 28:19, 20)

Jasmine Pacheco

Jasmine came to Christ after a difficult period marked by deep depression and suicidal thoughts. She experienced the transformative power of God, which gave her new life and purpose. Now a student at FBCI, she has embraced her calling without financial setbacks and is leading a thriving young adult ministry, helping others encounter the same hope she found.

Vitty Dew Pallikonda

Vitty's passion for missions was ignited during his time at FBCI, where he felt called to reach the lost in his home country of India. This summer, he returned to lead a student missions trip, ministering in orphanages, hosting crusades, and sharing the love of Christ. He stepped boldly into ministry without the worry of debt and is making a lasting impact on lives for eternity.

Impact Teams

God is working powerfully through our students as they share the message of Jesus with others. Lives are being transformed as they embrace their callings and use their gifts to make a difference. They are building a strong spiritual foundation that will shape future leaders to further the Gospel.

Hands-on opportunities for Ministry

- Student ministry teams travel to churches spanning from New Brunswick, Canada, down through Maryland, and even as far as Ohio. All 77 students are placed at one of up to 17 partner churches, where they make an IMPACT in diverse environments such as recovery homes, inner-city outreach, and new church development.
- Students regularly participate in "3-for-10" preaching, where three students each deliver a message for 10 minutes in various locations throughout Maine.
- Every student selects a spirit-filled home church outside of the Charleston area, and each Sunday leads their specialty of ministry: children's education, musical worship, serving hospitality, and multimedia needs.

Current Work

We are dedicated to fostering both the spiritual and practical growth of our students. This year, we have enrolled 77 students, marking an 11.5% increase from the previous year. Our top priority for this year is to improve the conditions and availability of dormitory space to better accommodate our rapidly growing student body. As we anticipate continued growth, we are preparing to exceed our current housing capacity soon. Through this expansion, we continue to witness transformations and salvations among FBCI students, thanks to their obedience and service.

This year presented significant financial challenges, but also remarkable provisions. In response to a substantial financial need, our team prayed, and God answered with a \$250,000 Miracle Match from a generous donor. Their gift inspired others to contribute as well, resulting in over \$300,000 raised—surpassing our initial goal. This story is a testament to God's faithfulness and the power of community support.

Future & Needs

To sustain our growth and ensure that students can continue to be trained effectively for ministry, several key infrastructure and funding priorities must be addressed, including a new well and water supply, boiler, plow truck, and a debt-free ministry.

Youth Missions Scholarship Impact Report

A Summer of Transformation

This July, Bethel Youth traveled to the Flathead Indian Reservation in Polson, Montana. What unfolded was nothing short of unforgettable. God's presence was at work in ways that words can hardly capture. We saw miracles of supernatural forgiveness take place right before our eyes. Our students worked with their hands to help prepare the foundation for a coffee shop that will soon shine as a beacon of hope in a community marked by darkness. They also stepped out in boldness, starting conversations with locals and sharing the love of Jesus in the streets.

The trip concluded at MVMNT Conference, where students and leaders alike encountered God in powerful ways. There was healing. There was breakthrough. There was genuine life change.

The Power Of Your Giving

None of this would have been possible without the generosity of our Bethel Family. Last year, your giving to the Youth Scholarship Fund created opportunities for students to go, serve, and grow in their faith.

Your investment didn't just impact a broken and hurting community in Montana; it also changed the lives of our very own students. They returned home with a deeper faith, a stronger boldness, and a greater vision for how God can use them to reach people for Jesus.

Thank you for believing in the next generation. Thank you for giving so they could go. Because of your faithfulness, we are already seeing fruit that will last for years to come.

Student Testimony: Paige Henson

This past summer I was able to join Bethel Youth in Montana, which ultimately impacted me in so many ways. I was able to make new friends and bond like a family with our group. I loved watching everyone, including myself, hear words from God and truly fall in love with Jesus. Additionally, we were able to be the hands and feet of Jesus by serving people on the Flathead Reservation. Lastly, we finished off the week by going to an amazing conference and they had amazing worship and speakers. This Montana trip will always be a wonderful memory for me of God's faithfulness and love for his children.

Kingdom Builders

PLAN. VISION. DREAM.

Through Kingdom Builders, we support organizations that expand God's Kingdom throughout the world. If you want to join this journey, here are some steps to get started:

Plan to give. Making a plan to give establishes accountability and helps you to create practical steps to reach your giving goal. Good planning and hard work lead to prosperity (Prov. 21:5).

Next, ask God to give you a vision for your giving. Remember what Philippians 4:19 says: "God shall supply all your needs according to His riches and glory by Christ Jesus." Habbakuk 2:2 tells us to write that vision down and pray about it. Step out in faith and see what God does through you!

Finally, create a dream amount. This number is between you and God. Take the steps and watch as God meets you where you are and provides more than you could ask, think, or imagine (Ephesians 3:20). Remember – it's not the amount; it's the heart and obedience behind the giving.

Our Kingdom Builders goal for 2025 is \$80,000.

Come prepared to give on December 7th, and let's watch what God does!

Don't do the math, do your part.

When you take part in Kingdom Builders, you are changing the lives of countless people around the world. Ask God what He wants you to do. Seek Him and His guidance, and watch as He works wonders through your generosity. Everyone is invited to be part of the vision of Kingdom Builders.
