When you speak

It is done

Just your whisper in the dark

Sparked the morning sun

When you move

Creation bows

Yet you choose to turn your ear to a heart that's crying out

I know Heaven heaven

Hears my cry

When My heart is heavy

Or My soul is dry

You're my Living water

my place to rest

my savior Jesus

And my defense

You are

You are

my confidence

Vs 2

When you breathe, you breathe life

You heal the brokenhearted and cause the dead to rise

Where you are all fear is gone

Your presence is sustaining and the hope to carry on

My hope is built

On nothing less

Than Jesus blood

And righteousness

No merit of my own I claim

But wholly call on Jesus' name
