

FROM DEATH TO REVIVAL
Brent Taylor, Brady Langdon, Lloyd Nicks, John Strandell

V1

Jesus you're the reason i'm living
Your the lamb that took on my ending
Once and for all
God You took the fall

V2

I'm never going back to the digging
Cause everything you died for, it's buried
I'll leave it now
6 feet underground

Pre

Here I am Lord
Here I am Lord
Giving you glory

Here I am Lord
Here I am Lord
Giving you praise

Half CHORUS

I'm nothing without your presence
I'm marked and I can't forget it
Out of the grave you called my name and called me forth
From death to revival

V3

I'm walking in the land of living
But the story isn't over it's just beginning now
In you my future is found

CHORUS

I'm nothing without your presence
I'm marked and I can't forget it
Out of the grave you called my name and called me forth
I'll never forget that moment
Like lighting my tomb burst open
And I came out running, chasing the goodness of the Lord
From death to revival

Bridge
