

You Never :
Brent Taylor & Daniel Doss

CH

You never, You never
You never leave
You never, You never
You never leave

V1

There is one thing I know for sure
Even when I did not believe it

There's one thing sustaining me
Even when I could not see it

CH

You never, You never
You never leave
You never, You never
You never leave
Looking back through time I see
You were always here with me
You never, You never
You never leave

V

Up on the mountain top
When life can't get any better
Or when it falls apart
When i can't pull it together

BR

I see your footprints next to mine
So constant and so faithfully
And when it looks like you vanished
But when I just see one there
It's cause you were carrying me
On You were carrying me

V

When I'm looking back i see
Through every season
Through all my brokenness i see
Even when i walked away you where there and followed me
All my ups and downs
Every breath you were always here w

You never, never, ever leave

You never, never, ever leave or let me go

Constant through the struggle

You never,
You never,
You never leave

You are constant in the mystery
Steady in the storm

Every time I look back I see
You were always here with me
Even in the

You never,
You never,
You never leave
