

Here are some show notes

Found money. Throw at a goal.

Two types of goals.

Move debt or short term.

Need emergency fund

Need to attack debt

Financial Reality

We are all at different spaces

Proverbs 16:16

God must come first - There is no greater principle than this.

1. You need to track your money!
2. You need a written plan!
3. You need written out goals!
4. You need a priority list!
5. You need to get out of debt!
6. You need to automate your bills!
7. Don't keep balances on credit cards!
8. Establish an emergency fund!
9. Establish known upcoming expenses!
10. Spend to savings!
11. Stretch in the area of generosity!
12. Become a smart shopper!
13. Time your purchases!
14. New for you!
15. Quality over Expensive
16. Postpone purchases
17. Cut needless expenses
18. Junk food and eating out = Sabotage
19. Maintain what you got
20. Craig has a list and eBay has lots of friends
21. Acquire Oxen - Proverbs 14:4
22. Allow someone to speak into your finances
23. Revisit your game plan often
24. Stay motivated!
25. Think long term not short term!

Upromise is a college savings opportunity for young parents.
