Welcome. Win. Equip. Serve

HELPING YOU CONNECT  
WITH US

**Dear Church Family,**

Our new year 2026 is starting strong! Our Sunday morning small groups and Sunday School classes are coming strong off a Christmas season of fellowship.

I'm not just "looking forward"—I'm praying forward to the spiritual growth and relationships that grow even deeper as these groups and classes enter into their 4th month of life in our church family.

Remember, in the month of March this year we will have 6-month check-in. Our think tank that developed our new Sunday schedule with your input will meet again this March 2026 to take stock of how the new schedule is working for everyone. I look forward to sharing your thoughts with that group. Drop me a line about how the new Sunday schedule is going for your family. Just email me at [wes@fmclanton.org](mailto:wes@fmclanton.org). Remember to focus not only on the convenient aspects—what are the spiritual aspects of this schedule and its impact on your family? I would love to hear it!

In our sermon series in this new year we will focus on a key word: **discernment**. Every day we ask questions that are discernment-driven.

"How do I talk to my kids about life issues so that they'll listen?"

"Do I stay at this job, or is God calling me to step out in faith?"

"How do I know if my feelings are a nudge from the Spirit, or just my feelings?"

These are the kinds of questions that bring us to our knees in prayer, to discern God's will for our lives.

We all need spiritual discernment. That's what we will be discussing in two sermon series that kick off the new year: Discerning God's Will and The Craft of Prayer.

We have a lot in store in the months to come. My goal is to develop small groups and ministry teams who pursue our mission to "Welcome. Win. Equip. Serve."

Speaking of "equipping," have you ever taken a spiritual gifts assessment? Try this one! Don't worry, it's not a test! This is just a tool to help you discover what your gift may be. It doesn't take long, and you get a report that you can discuss with your spouse, your small group, or a trusted mentor in the faith. Give it a try by scanning this QR Code!

**In Christ,**

Wes Kelley, Pastor FMC Clanton

# FIRST METHODIST'S MISSION

## Welcome

We exist to WELCOME everyone—to extend Christian hospitality to all people, because everyone matters to God and Jesus Christ died for all people.

## Win

We exist to WIN people to a personal relationship with Christ—to share the good news of Jesus Christ, His love, and His transforming grace through teaching the Bible.

## Equip

We exist to EQUIP believers to follow Christ daily by making the Bible our authority for living and by becoming a part of the life of our church. As we accept, love, and forgive one another in committed relationships, the Holy Spirit makes us more like Jesus.

## Serve

We exist to SERVE Christ's mission here in Chilton County and around the world—that lives may be changed for now and eternity as we proclaim through word and deed that Jesus Christ is Lord.
