

GENESIS

The Fall of Humanity

October 5, 2025

1. What are you most *thankful* for this week?
2. What has been the most *challenging* part of your week?
Pause and pray about what was shared.
3. Read Genesis 3:1-7

Application Questions

1. What jumped out to you the most from the sermon this week? Why do you think that is?
2. Satan's first move was to twist God's words and plant doubt about His character. What are some common lies you're tempted to believe about God or yourself, and how can you begin to expose them for what they are?
3. Eve's vulnerability came from not fully knowing God's Word, while Jesus resisted by quoting Scripture. How well are you currently equipping yourself with God's Word, and what step can you take this week to strengthen that defense?
4. Temptation often appeals to our desires — success, approval, control, comfort, etc. Which desire do you find most easily exploited by the enemy, and what specific truth from Scripture can you use to fight against it?
5. Adam and Eve's sin impacted all humanity, but Romans 5 says Christ's obedience brings righteousness. How does recognizing both the seriousness of sin and the hope of the Gospel shape the way you handle temptation and extend grace to others?

Obey and Pray

1. What is the one thing that you feel you need to OBEY this week, based upon what God said in our time together?
2. What do you need prayer for this week?
