WOMEN'S RENEWAL MINISTRY

November & December Newsletter

The holidays are approaching fast and we are gearing up for more residents. The season can be difficult for those who do not have families nearby. Please keep them in your prayers.

The adjustment of coming to the Potter's House is on one hand a relief from stress and pressures of this world. We have created a home for the girls to spend quiet quality time reading, journaling, counseling and building life skills. As they develop bible study habits and walk through concentrated counseling the Lord releases them from crippling addictions and abuse. A consistent schedule helps them practice good habits as well as learning to set personal goals sets them up for their future success. We've discovered some have such strong survivor skills they don't know how to let God help them, the concept being foreign to them. Often they are trapped in manipulating and an assortment of unsavory skills to get what they think they need. Their minds are so broken, only God can help them overcome the destructive habits they have developed in the world. Our goal is to help them see God can renew their minds. (Romans 12:2) As a staff our primary goal is to daily bring them to the throne of grace to receive mercy and help in time of need, (Hebrews 4:16) to listen with discernment and direct them to the One who gives new hearts and right thinking. "Every day we stop and pray" is our motto.

We wish we could say all ladies stay in the program the complete year, but for various reasons some don't. We remember they belong to God as we keep pouring out His love as He opens doors of ministry.

Verse of the Month

1 Thessalonians 2:13

For this reason we also thank God without ceasing, because when you received the word of God which you heard from us, you welcomed it not as the word of men, but as it is in truth, the word of God, which also effectively works in you who believe.
