

SPRING 2026 HIGHLIGHTED EVENTS

ANNUAL MEETING & LUNCH JANUARY 25TH, 11a

Join us for the Annual Meeting and Vestry election and stay for a lunch prepared by Women in Conversation. The meeting begins after the 10a Eucharist in the Nave, where nominees for the Vestry election will be approved. The lunch follows in Saints Hall.

SHROVE PANCAKE SUPPER FEBRUARY 17TH, 5p

Celebrate Shrove Tuesday and support the Youth Group by attending this parish-wide traditional pancake supper from 5-6:30p. All ages welcome!

PALM SUNDAY & PEEPS MARCH 29TH, 10a

First, we will gather in Saints Hall to begin the service with the musical procession of palms. After the Eucharist, we will create Peeps dioramas that depict a Holy Week scene in preparation for Easter Sunday.

YOUTH SUNDAY APRIL 26TH, 10a

Come to church for the 10a Eucharist to enjoy this special service led entirely by the parish youth, including music and the senior sermons. Stay after the service for a special reception celebrating our youth.

Intergenerational programming and parish events are always being added throughout the year to meet our goals and encourage a greater sense of community. To learn more and/or to propose or host a program, please contact Julie Mushkin. For current programming info, subscribe to the eSpirit and check the church website.

DIMENSIONS OF FAITH FEBRUARY 22ND, 6p

Join us for a lecture by photographers Bob Hower and Ted Wathen, Co-Directors of the Kentucky Documentary Photographic Project, which has been housed at St. Matthew's since 2017. They will discuss the Project's visual record of Kentucky from 1935 through 2055. This second iteration of the Project is the third time in a ninety-year period that photographers have roamed the state recording the landscape and how Kentuckians live, work and play. Their individual works are in the permanent collections of the Museum of Modern Art, the International Center of Photography, the Smithsonian American Art Museum, the KY Historical Society, the Boston Museum of Fine Arts, the National Archives, and the U.S. Dept. of State. In 2025, the Kentucky Documentary Photographic Project was given a major retrospective exhibition at the Frazier History Museum.
