

To Whom It May Concern:

ForHope.us is a 501c(3) non-profit organization that raises money to support humanitarian work with children around the world. Our main project for raising funds is called "BUY A TREE. CHANGE A LIFE." This program engages communities across the country that raise money for children in some of the most challenging places, including children right in their own communities. 100% of the monies raised goes straight to cause through a partnership we have with People for Care and Learning and local churches.
