Purpose, Principles, and Practices of a healthy church

A STUDY IN 1ST TIMOTHY

AUGUST 24, 2025

Welcome to Lakeside!

We are so glad you chose to join us this morning for worship. If you have not already, introduce yourself to a greeter to receive a welcome packet. Inside the packet is a Connection Card you can fill out to help us get to know you and you can request information about the church. You can also access the Connection Card by scanning the QR code.

Again, thank you for joining us for worship this morning. We pray that you experience

GLOBAL IMPACT PARTNERS

Prayers & Praises: For someone who is undergoing treatment following major cancer surgery. Recovery is going well, but several weeks of chemo and radiation are ahead. On the ministry side, it's been a record-setting year for literature distribution across the Spanish-speaking world. Several new titles are being released, including a children's Gospel series, and there's growing momentum with national authors contributing to current projects. A new partnership is also opening doors to distribute and produce much-needed materials focused on creation, apologetics, and children's ministry. We're also thankful for a new couple preparing to join the team after a long season of support-raising.
