School Breakfast & Lunch Program

For several years now, you have been gracious with your donations of school supplies during August for our three elementary schools. It is our understanding that there is currently a surplus of supplies that will be used for the upcoming school year. So, this year, we are asking you to consider making a monetary donation to the school breakfast and lunch programs that WPC has been supporting for a number of years. Please write **"lunch/breakfast programs"** on your envelope or e-transfer. Because these programs are ongoing, there is no deadline to contribute. Thank you for giving!

4 Ways to Give
